September 6, 2008 – 2-8pm

LIFE SAVER CARDS NOW AVAILABLE FOR DOWNLOAD:

Dear Friend:

Chief Dennis Allen has been an active member of the Evans Center Volunteer Fire Company for almost 40 years, having served as a fire department officer for nearly his entire firefighting and EMS career.

Along with his wife Marlene and sons Scott and Marcus, this fire service leader has devoted his entire life to serving his community. Now Denny Allen needs our help.

Chief Allen is stricken with idiopathic pulmonary fibrosis and is now on a waiting list for a double lung transplant at the Cleveland Clinic. The procedure requires the couple to relocate to the Cleveland area for up to three months afterwards.

We are asking for your help by purchasing the attached “Life Saver” cards to support this benefit.

Denny Allen has responded to more than 10,000 Emergencies in his 40 years of service. Our goal is to raise \$1 for every emergency he’s ever responded to.

Please download and print the attached “Life Saver” cards, share with your friends and fellow first responders, fill them out and send back \$5 for every sheet, or \$1 for every card you fill out. The instructions are listed below.

Please help us give back to the 1 Life Saver who has answered more than 10,000 calls for help. Thanks in advance for your generosity and support.

INSTRUCTIONS: SHARE WITH YOUR FRIENDS

- Print and fill out an entire page. Make copies as necessary.
 - For every page you complete, mail back \$5 along with the signed Life Saver card page. You do not need to cut out individual cards - we’ll take care of that.
- OR: Send \$1 for every card you cut out and complete – and return the cards and money
- Please include your fire department or other organization name on the second line
- The note line is a place for you to add your comments or well wishes for Chief Allen

These cards will be put on display in our firehouse as they’re received and then put in a scrapbook for Dennis after the benefit is completed. We do not recommend sending cash in the mail.

Make checks payable to, and send completed cards via US Mail to:
